### WHY MICROSTRATEGY?

**1. MicroStrategy was cited as the fastest-growing top 10 BI software vendor for the second year in a row by IDC, a leading industry analyst firm.**

**2. Financially rock-solid and growing company.** Revenues for 2005 were \$268.7 million versus \$231.2 million for the year ended 2004, a 16% increase. Net income for 2005 was \$64.7 million. First quarter 2006 financial results marked the thirteenth consecutive quarter of year-over-year revenue growth. MicroStrategy's stock price has increased 4x in the past 3 years and has a market capitalization of ~\$1.3B.

**3. Energetic and dynamic corporate environment.** MicroStrategy has a highly educated, diverse, and dedicated workforce that blends the talents of industry veterans with graduates from prestigious schools around the world. MicroStrategy's fast paced culture allows for interesting assignments as well as exciting opportunities for career growth.

**4. Best reference base in the industry, with a focus on Global 2000 customers.** MicroStrategy has an extensive list of world-class referenceable customers across all industries, including:

- Retail: Starbucks, Lowes, eBay
- Financial Services: H&R Block, Wells Fargo, Bank of New York
- Pharmaceutical & Healthcare: Pfizer, AmerisourceBergen, National Institute of Health
- Telecommunications: Cingular Wireless, Verizon, Comcast
- Insurance: MetLife, Nationwide, Geico
- Manufacturing: DuPont, Porsche Cars North America, Shaw Industries
- Consumer Packaged Goods: Amway, Estee Lauder, Campbell Soup Co.
- Government: U.S. Postal Service, U.S. Dept. of Education, FBI

**5. Outstanding benefits package.** MicroStrategy offers 3-5 weeks paid vacation based on tenure, casual dress, paid maternity/paternity leave, competitive salary and bonus packages, health/dental/vision, 401K, flexible spending account, and a commitment to training.
