

## MicroStrategy Certified Engineer (MCE) Renewal Exam

### Overview:

This exam tests the candidate's knowledge on the latest version of the MicroStrategy platform. The exam covers topics discussed in the "What's New for MicroStrategy 9" instructor-led course series. It also includes concepts related to MicroStrategy products that are taught in the instructor-led courses listed on the right. MCE Renewal candidates who pass the MCE Renewal Exam will retain their MCE Certification status for another 12 months. If the candidate fails the MCE Renewal Exam, they will have one chance to retake the exam. If the candidate fails the retake exam, they will be required to obtain MCE status through the currently defined requirements of the comprehensive MCE Program, as if for the first time.

### Cost:

- US\$200 per exam

### Number of Days:

- 1 day (administered on a MicroStrategy Testing Day - approx. 3 hours )

### Who Should Attend:

- Any MicroStrategy Certified Engineer (MCE) with an expired certification status (that is more than 12 months old) who wants to renew his/her MCE status

### Testing Day Language Policy:

Non-native English speaking students wishing to use a *language dictionary* (English to English dictionaries excluded) during MicroStrategy Certification exams must arrive 15 minutes prior to the start of the Testing Day. An instructor will examine the dictionary and only those language dictionaries without written notes within the pages will be allowed. Sharing language dictionaries is also strictly prohibited.

### Prerequisites:

- MCE certification status from a previous version (see "Who Should Attend")
- What's New in MicroStrategy 9 for Project Architects
- What's New in MicroStrategy 9 for Desktop Developers
- What's New in MicroStrategy 9 for Web Users
- What's New in MicroStrategy 9 for Administrators
- The exam covers general concepts from the following MicroStrategy courses as well:
  - MicroStrategy Desktop: Reporting Essentials
  - MicroStrategy Architect: Project Design (v8) or Project Design Essentials (v9)
  - MicroStrategy Report Services: Document Essentials
  - MicroStrategy Desktop: Advanced Reporting
  - MicroStrategy Intelligence Server Administration (v8) or MicroStrategy Administration (v9)

### Format:

- Online or written exam (depending on the location of the Testing Day); multiple choice.

### Certification Criteria:

- 75% to pass, 85% to pass the retake.
