

## MicroStrategy Certified Enterprise Reporter Exam

### Overview:

This exam is designed to certify students on the skills and knowledge needed to build sophisticated documents using MicroStrategy Report Services. It also certifies students on their knowledge of Freeform SQL reports and related concepts. Students will be tested on topics covered in the Freeform SQL Essentials course and the four MicroStrategy Report Services courses through a written exam. An instructor will proctor and grade the exam on-site. Students who pass this course attain MicroStrategy Certified Enterprise Reporter status and receive a certificate.
