SECURE CLOUD™ MASTER SUBSCRIPTION AGREEMENT

June 2015

THE TERMS AND CONDITIONS SET FORTH BELOW, INCLUDING ALL ATTACHMENTS HERETO (COLLECTIVELY, THE "AGREEMENT"), GOVERN YOUR USE OF THE HOSTED SERVICE. DEFINED TERMS ARE SET FORTH IN SECTION 17 BELOW. YOUR USE OF THE AWS SERVICE OFFERINGS (AS DEFINED IN ATTACHMENT 1 TO THIS AGREEMENT) IS SOLELY GOVERNED BY THE TERMS AND CONDITIONS SET FORTH IN ATTACHMENT 1 TO THIS AGREEMENT.

1. ACCESS GRANT

During each Subscription Term, we grant you and your Affiliates a non-exclusive, non-transferable right, subject to the terms and conditions of this Agreement and the applicable Order(s) and in accordance with applicable law, to grant Named Users access to the Hosted Service from anywhere in the world, solely in support of your internal business operations.

2. TECHNICAL SUPPORT SERVICES

We will provide you the level of Technical Support Services specified on an Order during each Subscription Term.

3. YOUR RESPONSIBILITIES

You are solely responsible for all activity occurring under your Named User accounts and you and your Named Users’ use of the Hosted Service and Customer Content. You will ensure that all Named Users comply with your obligations under this Agreement and that the terms of your agreement with each Named User, if any, are consistent with this Agreement. You will promptly notify us of any unauthorized use of any password or account or any other known or suspected breach of security of the Hosted Service. If you become aware of any violation of your obligations under this Agreement by a Named User, you will immediately terminate such Named User’s access to the Hosted Service and Customer Content. We and our Affiliates are not responsible for unauthorized access to your Named User accounts, except to the extent caused by our breach of this Agreement.

Your Named Users shall only use the Hosted Service in accordance with applicable local, state, national and foreign laws, treaties and regulations, including but not limited to all applicable import, re-import, export, and re-export control laws and regulations, including the Export Administration Regulations, the International Traffic in Arms Regulations, and country-specific economic sanctions programs implemented by the Office of Foreign Assets Control. For clarity, you are solely responsible for compliance with all laws related to your use of the Hosted Service, including the collection, transfer and processing of Customer Content and Usage Information, and the provision and use of Customer Content to and by Named Users, in all regions in which any of the foregoing occur. You acknowledge and agree that use of the Usher Service by your Named Users will be subject to the Terms of Use applicable to the Usher Service as found at www.microstrategy.com/us/usher-identity/terms-of-use (or a related or successor URL), as modified by us from time to time in accordance with the terms thereof.

You and your Named Users shall not: (a) use the Hosted Service in any manner or for any purpose not expressly permitted by this Agreement; (b) modify, tamper with, repair, or otherwise create derivative works of the Hosted Service or any software included in the Hosted Service; (c) reverse engineer or apply any other process or procedure to derive the source code of any software included in the Hosted Service; (d) interfere with or disrupt the integrity or performance of the Hosted Service; (e) attempt to gain unauthorized access to the Hosted Service or its related systems or networks; (f) use the Hosted Service to store or transmit (i) material in violation of third-party privacy rights; (ii) libelous, or otherwise unlawful or tortious material; (iii) material that infringes any copyright, trademark, patent, trade secret or other proprietary right of any entity or individual; or (iv) viruses, Trojan horses, worms, time bombs, cancelbots, corrupted files, or any other similar software or programs; or (g) access or use the Hosted Service in a way intended to avoid incurring fees or exceeding usage limits or quotas. THE USHER SERVICE IS NOT DESIGNED TO AND SHOULD NOT BE USED TO MANAGE PHYSICAL OR LOGICAL ACCESS TO FACILITIES OR SYSTEMS WHERE DELAY IN OR FAILURE OF SUCH ACCESS COULD THREATEN HEALTH OR SAFETY, OR CAUSE PROPERTY, ENVIRONMENTAL OR SIMILAR DAMAGE OR LOSS. AND YOU AGREE NOT TO USE THEM TO MANAGE SUCH ACCESS UNLESS YOU PROVIDE A FAILSAFE MECHANISM FOR LOCAL BYPASS OF THE USHER SERVICE FOR USE IN AN EMERGENCY FOR WHICH YOU WILL BE FULLY RESPONSIBLE.

Except for our responsibilities as expressly set forth in this Agreement, you are responsible for: (1) the development, content, operation, maintenance, and use of Customer Content; and (2) the compliance of Customer Content with all policies established by us for the Hosted Service and all laws that may apply to Customer Content.

4. INTELLECTUAL PROPERTY OWNERSHIP

We, our Affiliates and our licensors shall own all right, title and interest in and to the Hosted Service. You will be and remain the owner of all rights, title and interest in and to Customer Content.

5. SUSPENSION OF ACCESS; REMOVAL OF CONTENT

We reserve the right to suspend your access to the Hosted Service if you or any of your Named Users breach the “Your Responsibilities” Section or the “Data Protection” Section of this Agreement, and to remove any improper Customer Content uploaded or transferred to the Hosted Service in violation of this Agreement.
6. **TERM AND TERMINATION**

This Agreement and each Order governed by this Agreement commences on its respective Effective Date and may only be terminated according to this Section.

You may terminate this Agreement or any Order at any time by providing written notice to us. We may terminate this Agreement or any Order upon written notice to you (a) if you breach a material provision of this Agreement and fail to cure the breach within thirty (30) days following such notice; or (b) under the “Third Party Infringement” and “Limited Warranties and Remedies” Sections.

Upon termination of this Agreement, (a) we will make all Customer Content available for your download in the format in which it was stored as part of the Hosted Service for 30 days after termination, after which time it shall be deleted; and (b) all committed fees owed by you as of the date of termination shall be immediately due and payable.

7. **THIRD PARTY INFRINGEMENT**

We shall defend you, at our expense, against any claim, demand, suit, or proceeding ("Claim") brought against you by a third party alleging that the Hosted Service infringes or misappropriates an intellectual property right of the third party and shall indemnify you for and hold you harmless from any damages finally awarded to the third party claimant or agreed to in settlement of the Claim, provided that you: (a) promptly give us written notice of the Claim; and (b) give us sole control of the defense and settlement of the Claim (provided that we may not settle any such Claim that imposes liability on, or contains any admission of fault by, you without your consent); and (c) provide to us all available information and reasonable assistance necessary for us to defend or settle the Claim; and (d) have not compromised or settled the Claim without our written approval.

If your use of the Hosted Service is enjoined in connection with the Claim, we may choose to either modify the Hosted Service to be non-infringing (while substantially preserving its utility and functionality) or obtain a license to allow for continued use of such Hosted Service, or if these alternatives are not commercially reasonable, we may terminate your subscription to and use of such Hosted Service and refund any unused, prepaid fees paid for such Hosted Service.

We shall have no indemnification obligation under this Agreement for any Claim arising from or based upon (i) the use of Customer Content; or (ii) the use of the Hosted Service in an unlawful or unauthorized manner; or (iii) the combination of the Hosted Service with any third party products, services or business processes not provided by us as part of the Hosted Service, if the Claim would not have arisen without such combination.

You shall defend us, at our expense, against any Claim brought against us by a third party (a) alleging that the use of Customer Content infringes or misappropriates an intellectual property right of the third party or (b) arising from a breach of the "Your Responsibilities" Section or the "Data Protection" Section of this Agreement by you or your Named Users, and shall indemnify us for and hold us harmless from any damages finally awarded to the third party claimant or agreed to by you in settlement of the Claim, provided that we: (1) promptly give you written notice of the Claim; and (2) give you sole control of the defense and settlement of the Claim (provided that you may not settle any such Claim that imposes liability on, or contains any admission of fault by, us, or affects our operation of the Hosted Service, without our consent); and (3) provide to you all available information and reasonable assistance necessary for you to defend or settle the Claim; and (4) have not compromised or settled the Claim without your written approval.

The provisions of this Section state the sole, exclusive and entire liability of the indemnifying party to the indemnified party, and are the indemnified party’s sole remedy, with respect to each type of Claim described in this Section.

8. **LIMITED WARRANTIES AND REMEDIES**

We warrant that: (a) the Hosted Service will perform in substantial conformance with the technical specifications set forth in the Documentation during a Subscription Term; and (b) the functionality of the Hosted Service will not decrease during a Subscription Term. For any breach of the foregoing warranties, your exclusive remedy, and our entire liability, shall be (1) the correction of the Hosted Service errors that caused the breach of the warranty; or (2) if neither of the foregoing can be reasonably effected by us, the termination of this Agreement and all Orders under this Agreement and the refund of any unused, prepaid fees paid for the Hosted Service.

Each party warrants that any individual who signs this Agreement and any Order governed by the Agreement on behalf of such party has the authority to enter into this Agreement or any such Order on behalf of such party.

You acknowledge that diversion of the Hosted Service contrary to United States law is prohibited. You warrant that (i) you are not a Restricted Party; and (ii) you are not controlled by or acting on behalf of any Restricted Party; and (iii) neither you nor any of your employees, agents or contractors will transfer or allow any Product to be transferred to any Restricted Party. “Restricted Party” means any person or entity that is (1) listed on any of the lists of persons or entities maintained by the United States government that prohibit such persons or entities from receiving exports or services; or (2) a national or resident of, or an entity or governmental authority in, any country or territory that is or becomes subject to United States export controls for anti-terrorism reasons or with which United States persons are generally prohibited from engaging in financial transactions.

NO OTHER WARRANTIES OR COMMITMENTS, EXPRESS OR IMPLIED, ARE MADE WITH RESPECT TO THE HOSTED SERVICE INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SYSTEMS INTEGRATION, TITLE, SATISFACTORY QUALITY AND NON-INFRINGEMENT.

9. **LIMITATION OF LIABILITY**

EXCEPT FOR OUR OBLIGATIONS UNDER THE “THIRD PARTY INFRINGEMENT” SECTION, THE CUMULATIVE AGGREGATE LIABILITY OF US AND ALL OF OUR AFFILIATES AND LICENSORS TO YOU AND ALL OF YOUR AFFILIATES RELATED TO THIS
AGREEMENT SHALL NOT EXCEED THE AMOUNT OF THE FEES PAID OR PAYABLE TO US UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE FIRST CLAIM MADE BY YOU UNDER THIS AGREEMENT. IN NO EVENT SHALL WE OR ANY OF OUR AFFILIATES OR LICENSORS BE LIABLE TO YOU OR ANY OF YOUR AFFILIATES FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, WHETHER IN CONTRACT, TORT, OR OTHERWISE. EVEN IF WE OR ANY OF OUR AFFILIATES OR LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF AN AGREED REMEDY FAILS OF ITS ESSENTIAL PURPOSE OR IS HELD UNENFORCEABLE FOR ANY OTHER REASON.

10. ORDERS AND PAYMENT

Except as provided herein, all Orders governed by this Agreement are firm and not subject to cancellation, return, refund or offset unless the parties specifically agree otherwise in writing.

You will be invoiced upon execution of and according to the terms of an Order. All fees due to us shall be payable, in full and in the currency listed on an Order, thirty (30) days from the date of the invoice, and shall be deemed overdue if they remain unpaid thereafter. All fees are net of any taxes, which shall be your responsibility, except for taxes on our income. Any dispute to an invoice must be raised within thirty (30) days from the date of invoice or the invoice shall be deemed correct. If any undisputed invoice governed by this Agreement remains unpaid for 30 or more days after it is due, we may, without limiting our other rights and remedies, accelerate all unpaid fee obligations under such Orders so that all amounts payable by you become immediately due and payable. In addition, any amounts which remain unpaid after the due date shall be subject to a late charge equal to one and one-half percent (1.5%) per month or the highest rate allowable by law, whichever is lower, from the due date until such amount is paid.

11. CONFIDENTIALITY

Under this Agreement, Confidential Information may be disclosed between the parties. Each party agrees to disclose only information that is required for the performance of obligations under this Agreement. “Confidential Information” means any information marked “confidential” or disclosed or provided under circumstances that would lead a reasonable person to conclude that the information was confidential, and shall in all cases include pricing terms, the terms of this Agreement, software, technology and business plans. Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the receiving party; or (b) was in the receiving party’s lawful possession prior to the disclosure; or (c) is lawfully disclosed to the receiving party by a third party without restriction on the disclosure; or (d) is independently developed by the receiving party.

Each party agrees to hold the other party’s Confidential Information in confidence during the Term of this Agreement and for a period of five (5) years after the termination of this Agreement, and to disclose such Confidential Information only to those employees or agents who have a need to know such Confidential Information and are required to protect it against unauthorized disclosure. Notwithstanding the foregoing, either party may disclose the other party’s Confidential Information to a federal or state governmental entity to the extent such disclosure is required by law, so long as the receiving party notifies the disclosing party in advance of the required disclosure as soon as reasonably practicable to allow the disclosing party to contest the disclosure. Upon termination of this Agreement and except for electronic copies made in the course of normal network backups, the receiving party will promptly destroy or return, at the sole discretion of the disclosing party, all Confidential Information of the disclosing party in its possession or control.

12. AUDIT

You shall keep accurate and complete records relating to your activities under this Agreement. At our request but not more than once annually, we may audit such records and your use of the Hosted Service.

13. DATA PROTECTION

You will not transfer to us or provide us any access to any Protected Data in connection with this Agreement, except for (a) Protected Data related to your contact persons; or (b) Protected Data provided to us in connection with a Technical Support Services case; or (c) Protected Data uploaded or transferred to the Hosted Service, as more particularly described below.

As between you and us, for purposes of this Agreement and Applicable Data Protection Law, you are the “data controller” and we are acting on your behalf as a “data processor” with respect to Protected Data that you or your Named Users upload or transfer to the Hosted Service. We have implemented appropriate technical, organizational, and security measures designed to safeguard and protect Protected Data provided by you to us under this Agreement and we may access, use and transfer such Protected Data to our Affiliates and third parties (including those located outside of the European Economic Area) only for the purposes of fulfilling our obligations and exercising our rights under this Agreement, providing information to you and complying with our legal and auditing requirements. You are responsible for providing any notices and obtaining any consents and approvals from Named Users required to collect, process, transfer, maintain and use the data collected by you and/or the Hosted Service from Named Users in connection with the Hosted Service, including to allow us to perform in accordance with this Agreement.

We may access and use Customer Content, Usage Information and any other data collected in connection with the Hosted Service solely in accordance with the relevant privacy policy that we make available as part of the Hosted Service, as such policy may be amended by us from time to time in accordance with its terms (each, a “Hosted Service Privacy Policy”).

14. NOTICE

We may give notices regarding the Hosted Service to you by means of a general notice posted on the log-in page of the Hosted Service. Such notices shall be deemed to have been given the first time you (or any of your Named Users) log in to the Hosted Service after the notice has been posted. Notices under the Hosted Service Privacy Policy will be given in accordance with the terms of the policy.
All other notices under this Agreement shall be in writing and shall be deemed to have been given when (a) personally delivered; or (b) sent by electronic mail; or (c) sent by a commercial overnight courier. All such notices to be provided to you shall be delivered to the address that you provide to us in writing in accordance with this Section or, if you do not provide such address, to the most current address for you that we have on file. All such notices to be provided to us shall be delivered to the following address: MicroStrategy Incorporated, Attention: General Counsel, 1850 Towers Crescent Plaza, Tysons Corner, Virginia, 22182, United States; email: crequest@microstrategy.com.

15. ASSIGNMENT

This Agreement, and each right, license and obligation under this Agreement, may not be assigned or otherwise transferred by you, including by operation of law, without our prior written approval.

16. GENERAL

We are a federal contractor. As a result, but only if applicable, the Equal Opportunity Clauses set forth in 41 C.F.R. parts 60-1-4(a), and the employee notice found at 29 C.F.R. Part 471, Appendix A to Subpart A are incorporated by reference herein. In addition, but also only if applicable, you shall abide by the requirements of 41 CFR §§ 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals on the basis of protected veteran status or disability, and require affirmative action by covered prime contractors and subcontractors to employ and advance in employment qualified protected veterans and individuals with disabilities. This language is provided as part of our compliance with the applicable Executive Orders, statutes and regulations regulated by the Department of Labor.

During the Term of this Agreement and for one (1) year following the termination of this Agreement, neither party shall, directly or indirectly, solicit any employee (or agent) of the other party to terminate or modify the employee's relationship with a party in any way and neither party shall hire any employee (or agent) of the other party; notwithstanding the foregoing, it shall not be considered a breach of this prohibition for a party to hire an employee (or agent) responding to publicly advertised job opening announcements.

The terms of this Agreement and any applicable Order shall supersede the terms in any purchase order or other ordering document that you generate and provide to us. Any terms of trade stated or referenced in any such purchase order (except for names, quantities and addresses) shall not be binding on us. As between this Agreement and an Order, the latter prevails but only with respect to that Order.

We will not be liable for any delay or failure to perform any obligation under this Agreement where the delay or failure results from any cause beyond our reasonable control, including acts of God, labor disputes or other industrial disturbances, electrical or power outage, utilities or telecommunications failures, limitations, delays and other problems inherent in the use of the internet and electronic communications, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, or war. You are responsible for the proper operation of your network and your equipment used to connect to the Hosted Service. This Agreement and the parties' relationship under it shall be interpreted under and governed by the laws of the Commonwealth of Virginia and controlling United States federal law, without regard to the choice or conflicts of law provisions of any jurisdiction. This Agreement shall not be subject to the United Nations Convention on the International Sale of Goods. Any disputes, actions, claims or causes of action arising out of or in connection with this Agreement, the parties' relationship under it or the Hosted Service shall be subject to the exclusive jurisdiction of the state and federal courts with jurisdiction over Fairfax County, Virginia. Both parties hereby irrevocably consent to the exclusive jurisdiction of and venue in such courts and waive any right to a jury trial in any such proceeding. In any dispute under this Agreement, the prevailing party shall be entitled to recover its cost of enforcing its claim, including but not limited to reasonable attorney fees.

If you access software of a third party or MicroStrategy Affiliate (each, a "Third Party Solution") with connectors included as part of the Hosted Service, you agree and acknowledge that (a) you may download content from the servers of the Third Party Solution provider; (b) your access to the Third Party Solution with such connectors shall be solely for the purpose of utilizing the Third Party Solution in conjunction with the Hosted Service; (c) we are not responsible for interruptions of service caused by the Third Party Solution provider; (d) our relationship with the Third Party Solution provider is subject to termination and cancellation; and (e) you may not remove or obscure any patent, copyright, trademark, proprietary rights notices, and/or legends contained in or affixed to any output of the Hosted Service.

If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, then such provision(s) shall be construed, as nearly as possible, to reflect the intentions of the invalid or unenforceable provision(s), with all other provisions remaining in full force and effect. No joint venture, partnership, employment or agency relationship exists between you and us as a result of this Agreement or your use of the Hosted Service. The failure of either you or us to enforce any right or provision in this Agreement shall not constitute a waiver of such right or provision unless acknowledged and agreed to in writing by the party otherwise entitled to exercise or enforce it. This Agreement comprises the entire agreement between you and us and supersedes all prior or contemporaneous negotiations, discussions, agreements or statements, whether written or oral. Any provision of this Agreement that would reasonably be expected to survive, shall survive the termination of this Agreement. There are no intended third party beneficiaries of this Agreement. You represent that your decision to purchase a subscription to the Hosted Service is not based on (a) any oral or written comments made by us with respect to functionality or features not currently offered in our latest generally available version of the Hosted Service; or (b) any expectation that any additional features or functionality presented as part of a demonstration, beta evaluation or roadmap presentation of the Hosted Service may be included in a future update or release of the Hosted Service; or (c) demonstrations of any software that is not currently generally available. You further acknowledge that the development, release and timing of any additional features or functionality for the Hosted Service remain at our sole discretion.

If you deploy the Usher Service as part of an extranet application, you agree to display “Powered by Usher” or certain other similar trademarks designated by us.
17. DEFINITIONS

“Affiliate” means any other entity that a party directly or indirectly controls, is controlled by or is under common control with.

“Applicable Data Protection Law” means all applicable international, federal, state, provincial and local laws, rules, regulations, directives and governmental requirements currently in effect and as they become effective relating in any way to the privacy, confidentiality or security of Protected Data including, without limitation, the European Union Directives governing general data protection and all applicable industry standards concerning privacy, data protection, confidentiality or information security.

“CPU” means a physical or virtual core to which a single or clustered instance of one of our generally available software products made available as part of a Hosted Service is assigned in support of an unspecified number of Named Users in the environment specified on an Order.

“Customer Content” means software (including machine images), data, text, audio, video, images, or other content that you or any Named User uploads or transfers to the Hosted Service.

“Documentation” means the user manual(s) on the use of the Hosted Service that are made available as part of the Hosted Service.

“Effective Date” means (a) with respect to this Agreement, the date on which this Agreement is signed by both parties or, if applicable, the Effective Date of the first Order under this Agreement; and (b) with respect to an Order, the date on which the Order is signed by both parties or, for Orders in other than dual-signature format, the date of our acceptance.

“Hosted Service” means any of our generally available hosted services (including our hosted service branded as “Usher” (the “Usher Service”), operated on servers controlled by us or our third party service provider(s); the Documentation; and tools included with the hosted services, including software development kits.

“Named User” means a single individual designated by you who you authorize to access the Hosted Service on a non-temporary basis.

“Order” means the document(s) by which you order a subscription to the Hosted Service.

“Protected Data” means any data or information that is subject to regulation under Applicable Data Protection Law, including without limitation Personal Data, Protected Health Information and Personally Identifiable Information (as such terms are defined in Applicable Data Protection Law).

“Server” means a single installed instance of one of our generally available software products made available as part of a Hosted Service.

“Subscription Term” means the period during which Named Users are granted access to use the Hosted Service pursuant to an Order.

“Technical Support Services” means technical support and maintenance provided by us according to our then-current technical support policy and procedure listed at http://www.microstrategy.com when the services are purchased.

“Term” means, with respect to this Agreement, the period that begins on the Effective Date and ends on the date on which this Agreement expires or is terminated, whichever occurs first.

“Usage Information” means information generated in connection with your use of the Usher Service that we may collect about you and your Named Users, as further described in the Hosted Service Privacy Policy applicable to the Usher Service. For the avoidance of doubt, in no instance shall Usage Information be deemed to include Customer Content.

“we,” “us” and “our” refers to MicroStrategy Incorporated or an Affiliate of MicroStrategy Incorporated identified on an Order.

“you” and “your” refers to the entity identified on an Order that orders subscriptions(s) to the Hosted Service under this Agreement.
ATTACHMENT 1 - AWS DATA CENTER TERMS AND CONDITIONS

This Attachment 1 supplements the Agreement and governs the provision and use of AWS Service Offerings provided by Amazon Web Services, Inc. ("AWS") as part of the Hosted Service. As used in this Attachment 1, (a) "AWS Service Offerings" means the AWS web services (including associated APIs), together with any associated product, service or content that allows access to and use of such services, that are provided or made available by us as part of the Hosted Service. Unless otherwise defined in this Attachment 1, capitalized terms in this Attachment 1 shall have the same meaning as in the Agreement.

1. YOUR RESPONSIBILITIES

You shall adhere to all AWS policies referenced at http://www.aws.amazon.com, as may be updated by AWS from time to time (together with any service terms referenced at http://aws.amazon.com, the "AWS Policies") in your use of the AWS Service Offerings. All references to “You" or other references to AWS’s customer in the AWS Policies shall be deemed to be references to you for purposes of this Attachment 1. You are not a third party beneficiary of any agreement between AWS and us. During and after each Subscription Term, you will not assert, nor will you authorize, assist, or encourage any third party to assert, against us, AWS or any of our affiliates, customers, vendors, business partners, or licensors, any patent infringement or other intellectual property infringement claim regarding any AWS Service Offerings you have used.

2. DATA PROTECTION

AWS participates in the safe harbor programs described in the AWS Policies. Unless required to comply with law or requests of a governmental or regulatory body (including subpoenas or court orders), or as otherwise set forth in the Agreement, we will not, without your prior written consent or except as necessary to provide the Hosted Service to you, (a) use or disclose Customer Content, (b) move Customer Content from the AWS region(s) specified on an Order, or (c) independently respond to requests from Named Users to provide information about the collection, processing or use of Protected Data. You consent to the collection, use and disclosure of information associated with the AWS Service Offerings in accordance with the AWS Policies, and to the processing of Customer Content in and to the AWS regions specified on an Order. You are responsible for: (a) implementing and maintaining measures to ensure that Protected Data transmitted to us cannot be read, copied, modified or deleted without your authorization during electronic transmission, transport or storage within the AWS Service Offerings; (b) implementing and maintaining measures for the establishment of an audit trail to document whether and by whom Protected Data has been entered into, modified in, or removed from processing; and (c) reviewing the information made available by us or AWS relating to data security.

3. AWS FEES

To the extent that the fees that AWS charges us for the AWS Service Offerings listed on an Order increase during the applicable Subscription Term (including fee increases resulting from instances where your usage of the Hosted Service changes or increases the quantities of an AWS Service Offering designated as a “Usage-Based Item” on the Order) (each such fee increase, an “AWS Fee”), you shall be responsible to and shall pay us for any such AWS Fees.

4. TEMPORARY SUSPENSIONS AND TERMINATION; CHANGES TO AWS SERVICE OFFERINGS

We may terminate any Order or suspend your right to access to the AWS Service Offerings immediately upon notice and without any further liability to you if AWS suspends our access to such AWS Service Offerings based on your conduct. If we terminate an Order as set forth above, all committed fees owed by you under such Order as of the date of termination shall be become immediately due and payable. If AWS materially changes any AWS Service Offering or terminates the agreement between AWS and us under which we provide the AWS Service Offerings to you (the “AWS-MicroStrategy Contract”), we shall, upon notice to you, replace the affected AWS Service Offerings with services of similar functionality and utility or, if such replacement is not commercially reasonable, terminate all applicable Orders and provide a refund of prepaid, unused fees for such Orders. Upon termination of all such Orders, you will immediately return or destroy all AWS content received under this Attachment 1.

5. WARRANTY

We warrant that each AWS web service (including associated APIs) that is provided or made available by us as part of the Hosted Service pursuant to an Order will perform materially in accordance with its associated user manual, as may be updated from time to time by AWS.

EXCEPT AS EXPRESSLY SET FORTH IN THIS ATTACHMENT 1 OR TO THE EXTENT PROHIBITED BY LAW, WE, OUR AFFILIATES, AND OUR LICENSORS DISCLAIM ALL REPRESENTATIONS, WARRANTIES OR COMMITMENTS, WHETHER EXPRESS OR IMPLIED, WITH RESPECT TO THE AWS SERVICE OFFERINGS OR ANY CONTENT OF A THIRD PARTY MADE AVAILABLE THROUGH SUCH AWS SERVICE OFFERINGS, INCLUDING BUT NOT LIMITED TO ALL WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, SYSTEMS INTEGRATION, TITLE, NON-INFRINGEMENT, OR QUIET ENJOYMENT, AND ANY WARRANTIES ARISING OUT OF ANY COURSE OF DEALING OR USAGE OF TRADE. WE, OUR AFFILIATES, AND OUR LICENSORS DISCLAIM ALL, AND YOU AGREE THAT YOU ARE NOT ENTITLED TO ANY, EQUITABLE OR IMPLIED INDEMNITIES.

6. INDEMNIFICATION OBLIGATIONS

You will defend, indemnify, and hold us, our affiliates and licensors, and each of their respective employees, officers, directors, and representatives harmless from and against any claims, damages, losses, liabilities, costs and expenses (including reasonable attorneys’ fees) arising out of or relating to any third party claim concerning your or any Named User’s use of the AWS Service Offerings (a) in a manner not authorized by this Attachment 1; (b) in violation of applicable law; (c) in a manner that allegedly infringes or misappropriates any third party rights; or (d) in connection with a dispute between you and any Named User.

We will reimburse you and your employees, officers, and directors for their respective out-of-pocket costs (including reasonable attorneys’ fees) incurred to defend any lawsuit brought by an unaffiliated third party based solely on the infringement of such third party’s intellectual property solely by the AWS Service Offerings (i.e., no obligations or liability for infringement by combinations of the

PROPRIETARY AND CONFIDENTIAL
AWS Service Offerings with any other product, service, software, data or method not supplied by AWS through us) (“IP Claim”). At our election and expense, we may assume control of, otherwise participate in, or give to AWS control of the defense of the IP Claim. We will indemnify you and your employees, officers and directors for the amount of any adverse final judgment or settlement arising out of an IP Claim (“Final Awards”).

We will have no obligations or liability under the immediately preceding paragraph for any IP Claim or Final Awards arising from: (i) your or any Named User’s use of the AWS Service Offerings after we have notified you to discontinue such use; (ii) any unauthorized use or modification of the AWS Service Offerings; (iii) any use of the AWS Service Offerings, or any other act, by the you or a Named User, that is in breach of this Attachment 1; (iv) any claim of inducement or contributory infringement; or (v) any claim of willful infringement directed at anyone other than us. OUR (TOGETHER WITH OUR AFFILIATES AND LICENSORS) SOLE, EXCLUSIVE AND AGGREGATE LIABILITY UNDER THE IMMEDIATELY PRECEDING PARAGRAPH TO YOU AND YOUR AFFILIATES WILL NOT EXCEED THE REMEDY PROVIDED BY AWS TO US FOR ITS INDEMNIFICATION OBLIGATIONS TO US RELATED TO SUCH IP CLAIM AGAINST YOU.

The obligations under this Section will apply only if the indemnified party: (a) gives the indemnifying party prompt written notice of the claim; (b) reasonably cooperates with the indemnifying party (at the indemnifying party’s expense) in connection with the defense and settlement of such claim; and (c) permits the indemnifying party to control the defense and settlement of the claim (in the case of our obligations under this Section, this applies only when we elect to assume or allow AWS to assume the defense). The indemnified party may, at its expense, participate in the defense and settlement of the claim with counsel of its own choosing, except that the indemnified party may not consent to the entry of any judgment or enter into any settlement with respect to the claim without the indemnifying party’s prior written consent.

7. LIMITATIONS OF LIABILITY

NEITHER PARTY NOR ITS AFFILIATES OR LICENSORS WILL BE LIABLE TO THE OTHER PARTY OR ITS AFFILIATES OR LICENSORS FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR EXEMPLARY DAMAGES RELATED TO THIS ATTACHMENT 1 OR THE AWS SERVICE OFFERINGS EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

YOUR AND YOUR AFFILIATES’ AGGREGATE LIABILITY RELATED TO THIS ATTACHMENT 1 OR THE AWS SERVICE OFFERINGS WILL NOT EXCEED THE LESSER OF (A) THE AMOUNTS ACTUALLY PAID BY YOU TO US UNDER THE ORDER FOR THE AWS SERVICE OFFERING THAT GAVE RISE TO THE CLAIM DURING THE 12 MONTHS PRECEDING THE CLAIM, OR (B) US $1,000,000.

OUR AND OUR AFFILIATES’ OR LICENSORS’ AGGREGATE LIABILITY RELATED TO THIS ATTACHMENT 1 OR THE AWS SERVICE OFFERINGS WILL NOT EXCEED THE LESSER OF (X) THE AMOUNTS ACTUALLY PAID BY YOU TO US UNDER THE ORDER(S) FOR THE AWS SERVICE OFFERING THAT GAVE RISE TO THE CLAIM DURING THE 12 MONTHS PRECEDING THE CLAIM, OR (Y) THE AMOUNT OF AWS’S LIABILITY TO US RELATED TO THE CLAIM THAT IS ATTRIBUTABLE TO YOU.

THE LIMITATIONS SET FORTH ABOVE SHALL NOT APPLY TO (1) PAYMENT OBLIGATIONS ARISING UNDER THE “INDEMNIFICATION OBLIGATIONS” SECTION OF THIS ATTACHMENT 1, (2) DAMAGES ARISING FROM GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, (3) DAMAGES ARISING FROM A BREACH OF CONFIDENTIALITY OBLIGATIONS AND (4) DAMAGES ARISING FROM A BREACH OF ANY OF THE OTHER PARTY’S INTELLECTUAL PROPERTY RIGHTS. NOTWITHSTANDING THE FOREGOING, THE EXCEPTIONS TO OUR LIABILITY SET FORTH IN SUBSECTIONS (2), (3) AND (4) ABOVE SHALL ONLY APPLY TO THE EXTENT ARISING FROM AWS’S BREACH OF THE AWS-MICROSTRATEGY CONTRACT.

8. GENERAL PROVISIONS

Notwithstanding any terms set forth in the Agreement, the terms of any Order specific to AWS Service Offerings and the terms of this Attachment 1 shall solely and exclusively govern the parties’ rights and obligations with respect to the AWS Service Offerings. Solely with respect to AWS Service Offerings, any conflict of terms shall be resolved by giving precedence in the following order: (1) any AWS service terms related to a particular AWS Service Offering; (2) the terms of an Order specific to AWS Service Offerings; (3) this Attachment 1; (4) AWS Policies; and (5) any other terms set forth on an Order.
AWS will implement reasonable and appropriate measures for the AWS data center facilities, servers, networking equipment, and host software systems (e.g., virtual firewalls) that are within AWS’s control and are used to provide the AWS Service Offerings (“AWS Network”) (as determined by AWS) designed to help us secure content that we, our customers or any Named User (“MicroStrategy Content”) uploads, transfers or uses in connection with the Hosted Service against accidental or unlawful loss, access or disclosure (the “Security Objectives”) in accordance with the AWS Security Standards set forth below. AWS may modify the AWS Security Standards from time to time, but will continue to provide at least the same level of security as is described in the AWS Security Standards as of November 4, 2014. As of November 4, 2014, AWS is certified under ISO 27001 and agrees to maintain an information security program for the AWS web services that complies with the ISO 27001 standards or such other alternative standards that are substantially equivalent to ISO 27001 for the establishment, implementation, control, and improvement of the AWS Security Standards. As of November 4, 2014, AWS is validated as compliant as a Level 1 service provider with the Payment Card Industry (PCI) Data Security Standard (DSS). The list of third-party attestations, reports and certifications described at the “AWS Compliance” webpage (currently located at www.aws.amazon.com/compliance) (the “AWS Compliance Site”) is accurate as of November 4, 2014, and in the event of any material change to such list of third-party attestations, reports and certifications maintained by AWS during the term of the Agreement, AWS will update the AWS Compliance Site (or any successor webpage) within a commercially reasonable period of time following the change. From time to time and at least once every calendar year, AWS will retain external auditors to verify its security measures (e.g., in a Service Organization Controls 1, Type 2 report, or its equivalent, as determined by AWS).

“AWS Security Standards” are the following security standards:

1. Information Security Program. AWS will maintain an information security program (including the adoption and enforcement of internal policies and procedures) designed to (a) satisfy the Security Objectives, (b) identify reasonably foreseeable and internal risks to security and unauthorized access to the AWS Network, and (c) minimize security risks, including through risk assessment and regular testing. AWS will designate one or more employees to coordinate and be accountable for the information security program. The information security program will include the following measures:

   1.1 Network Security. The AWS Network will be electronically accessible to employees, contractors and any other person as necessary to provide the AWS web services. AWS will maintain access controls and policies to manage what access is allowed to the AWS Network from each network connection and Named User, including the use of firewalls or functionally equivalent technology and authentication controls. AWS will maintain corrective action and incident response plans to respond to potential security threats.

   1.2 Physical Security

      1.2.1 Physical Access Controls. Physical components of the AWS Network are housed in nondescript facilities (the “Facilities”). Physical barrier controls are used to prevent unauthorized entrance to the Facilities both at the perimeter and at building access points. Passage through the physical barriers at the Facilities requires either electronic access control validation (e.g., card access systems, etc.) or validation by human security personnel (e.g., contract or in-house security guard service, receptionist, etc.). Employees and contractors are assigned photo-ID badges that must be worn while the employees and contractors are at any of the Facilities. Visitors are required to sign-in with designated personnel, must show appropriate identification, are assigned a visitor ID badge that must be worn while the visitor is at any of the Facilities, and are continually escorted by authorized employees or contractors while visiting the Facilities.

      1.2.2 Limited Employee and Contractor Access. AWS provides access to the Facilities to those employees and contractors who have a legitimate business need for such access privileges. When an employee or contractor no longer has a business need for the access privileges assigned to him/her, the access privileges are promptly revoked, even if the employee or contractor continues to be an employee of AWS or its affiliates.

      1.2.3 Physical Security Protections. All access points (other than main entry doors) are maintained in a secured (locked) state. Access points to the Facilities are monitored by video surveillance cameras designed to record all individuals accessing the Facilities. AWS also maintains electronic intrusion detection systems designed to detect unauthorized access to the Facilities, including monitoring points of vulnerability (e.g., primary entry doors, emergency egress doors, roof hatches, dock bay doors, etc.) with door contacts, glass breakage devices, interior motion-detection, or other devices designed to detect individuals attempting to gain access to the Facilities. All physical access to the Facilities by employees and contractors is logged and routinely audited.

      1.2.4 Pre-Employment Screening. AWS conducts criminal background checks, as permitted by applicable law, as part of pre-employment screening practices for employees and contractors commensurate with the employee’s or contractor’s position and level of access to the Facilities. AWS will not permit an employee or contractor to have access to the non-public MicroStrategy Content or perform material aspects of the AWS web services if such employee or contractor has failed to pass such background check.

2. Continued Evaluation. AWS will conduct periodic reviews of the security of its AWS Network and adequacy of its information security program as measured against industry security standards and its policies and procedures. AWS will continually evaluate the security of its AWS Network and associated AWS web services to determine whether additional or different security measures are required to respond to new security risks or findings generated by the periodic reviews.

3. Security Breach Notification. If AWS has actual knowledge of a confirmed breach of the security measures described in these AWS Security Standards that affects the security of any MicroStrategy Content subject to applicable data breach notification law, AWS will (a) promptly notify us, as required by applicable law, and (b) take commercially reasonable measures to address the breach in a timely manner. The term “breach of security” means the unauthorized access to or acquisition of any record containing MicroStrategy Content in a manner that renders misuse of the information reasonably possible.
