

MicroStrategy Recognized as a Challenger in Gartner's 2020 Magic Quadrant for Analytics and Business Intelligence Platforms

February 24, 2020

TYSONS CORNER, Va.--(BUSINESS WIRE)--Feb. 24, 2020-- [MicroStrategy®](#) (Nasdaq: MSTR), the largest independent publicly-traded business intelligence company, today announced that it has been named a Challenger in Gartner's 2020 [Magic Quadrant for Analytics and Business Intelligence Platforms](#) report¹. Download a complimentary copy of the report today.

"We invented HyperIntelligence[®], a new category of analytics that overlays actionable enterprise data on popular business applications to help users make smarter, faster decisions," said Michael J. Saylor, CEO, MicroStrategy. "HyperIntelligence is indeed our most innovative product in years, and it's going mainstream because it works where the user works – in productivity and web applications that people use every day. It puts the analytics consumer at the center of the design experience. With this report, we believe Gartner is also validating what a vast majority of our customers already know – that MicroStrategy offers an enterprise-grade platform that is modern and open and differentiated by our unique Enterprise Semantic Graph[™]."

Visit Us at an Upcoming Gartner Data & Analytics Summit

MicroStrategy will be an exhibitor at several upcoming Gartner Data & Analytics Summit 2020 conferences, including in London, UK on March 9-11 and in Grapevine, Texas on March 23-26. From MicroStrategy's perspective, the Gartner Data & Analytics Summit provides an opportunity for customers and prospective customers to schedule one-on-one meetings with MicroStrategy executives and product experts, hear from organizations that have successfully implemented MicroStrategy software and services, and explore how MicroStrategy 2020[™] can solve unique business challenges.
