

Schedule

DAY 1: Dashboarding your Data with Dossiers

Learn about self-service capabilities and visualizing your data via dossiers in MicroStrategy Web.

DAY 2: Advanced Reporting

Create basic reports and documents in MicroStrategy Web.

DAY 3: Enterprise Mobility

Create interactive documents in MicroStrategy Web, then turn them into apps you can view on mobile devices with MicroStrategy Mobile.

DAY 4: Digital Identity

See how MicroStrategy Usher ensures company safety with identity badges and enterprise security.

DAY 5: Enterprise Applications

Learn how the MicroStrategy Enterprise platform can take your data from rows in a data warehouse to something you can analyze.

- ▲ Contact education@microstrategy.com or your Account Executive
- ▲ Agendas for all courses can be found in the [Course Catalog](#)

WHAT IS JUMP START?

- An introductory **free** training program to get you familiar with the basics of Business Intelligence and MicroStrategy
- Worldwide course offerings in over 40 cities worldwide and 9 languages, online and in-person
- A quick and easy way for both current customers and prospects to learn about Business Intelligence and MicroStrategy capabilities

HOW WILL JUMP START HELP ME?

- This program enables users to leverage Business Intelligence and MicroStrategy to solve challenging business problems
- Existing technical MicroStrategy customers can gain insight into the role of a business user
- An efficient way to incorporate Jump Start into the onboarding process for all users across the Intelligent Enterprise
- See how self-service capabilities via Mobile and Usher can boost employee productivity
- Get connected to the MicroStrategy community by meeting customers and your local Education Instructor

WHO IS THIS FOR?

- Geared towards Business Users, but can be valuable for all roles in the Intelligent Enterprise
- Current customers looking to increase MicroStrategy usage.
- Customers and prospects looking to find out more about what MicroStrategy can do

HOW MUCH DOES IT COST?

Five full days of Jump Start education is **free**.

You may sign up for as many or few days as you like as each day of training is structured to stand on its own.
