## WHAT ARE MICROSTRATEGY CERTIFICATIONS?

- One or two-day hands-on projects to validate MicroStrategy skills and expertise
- Complete a recommended learning path of courses
- Generally completed in three to six months via a PEP
- Utilized by experienced MicroStrategists

## WHAT ARE FAST TRACK CERTIFICATIONS?

- A consolidated way to consume course content and project certification
- Completed in five to 10 days
- Included with a PEP, but able to be purchased on their own

## HOW CAN IT HELP ME?

- Alternative option to pursuing MicroStrategy Certifications that requires less time
- Validate your team and knowledge in a few days
- Get the most value out of your PEP
- Be up-to-date on the most current version of MicroStrategy

## WHO IS IT FOR?

- Analysts
- Data Scientists
- Developers
- Architects
